

Letter to RA parents

Dear Parents and Carers,

I hope that you are all keeping safe and well.

As you will be aware from the text messages you have received, we have been made aware of a positive COVID-19 case linked to your child's class – RA. I have followed advice from Public Health England to ensure that we are taking the right actions to keep our school family in good health. They have advised that **ALL** children in RA need to self-isolate for 10 days from Thursday 17th June. This means we look forward to welcoming your children back on **Monday 28th June**. The advice from Public Health England is that children will only need to be tested if they develop any of the symptoms as listed on the DfE and NHS websites:

- **a high temperature** – this means you feel hot to touch on your chest or back (you do not need to measure your temperature)
- **a new, continuous cough** – this means coughing a lot for more than an hour, or 3 or more coughing episodes in 24 hours (if you usually have a cough, it may be worse than usual)
- **a loss or change to your sense of smell or taste** – this means you've noticed you cannot smell or taste anything, or things smell or taste different to normal.

Online learning will be available from Monday 21st June. Paper packs will be at the main office tomorrow morning (18th June 2021) to cover the day's learning or for use should you be unable to access learning online. A small number of devices will be available to loan and will be distributed to those parents who requested devices during the January lockdown.

If your child is entitled to free school meals, a lunch bag can be collected from the main office at 12pm daily.

Staff and leaders across school are working tirelessly to ensure that we are following all of the guidance being issued. I appreciate that this is a very worrying and challenging time for the whole Highfield family and thank you for your support.

Best wishes,

Mr. Knibbs
Head of School
