**We will be...**

- Reading a range of key words on sight.
- Using our knowledge of phonics to decode and blend unfamiliar words.
- Using punctuation to read with expression when reading aloud.
- Using knowledge of reading for meaning and apply strategies to work out words that we do not understand.
- Understanding question words and answering questions related to each question word.
- Using retrieval strategies and inference skills to answer a range of questions

### Numeracy

**Focus: Division, Statistics and Money**

**We are learning about...**

- Using an informal method to solve division problems
- Solving missing number problem involving division
- Adding and subtracting amounts of money
- Interpreting and presenting data

## Science

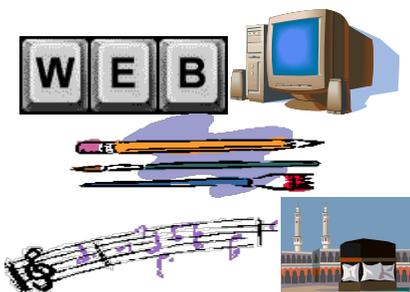

Topic: Forces and Magnets

We will be learning about...

- How to carry out an investigation
- Different forces and how they interact with different objects
- Magnetic and non-magnetic materials
- How magnets attract or repel each other

## Learning for Life

Topic- Ancient Egypt

Learning through: History, Geography, Music, Art and Design

This half term we will focus on:

- Locating Egypt in the continent of Africa
- Bird's eye/aerial views of Egyptian landscape.
- Finding landmarks and human and physical features on maps.
- King Tutankhamen
- Researching important dates in the time of the Ancient Egyptians

In Computing the children will be exploring how to fix computer coding using a programme called Scratch.

## Physical Education/PSHE

Please remember to bring your P.E. Kits in on a Tuesday and Thursday

Your child will be developing their physical skills through:

- Handball
- Dance

## Homework

This is handed out every Friday and will need to be brought back into school on Tuesday. It will cover areas of learning taught this half term, not only to review but also to challenge.
